The Organization

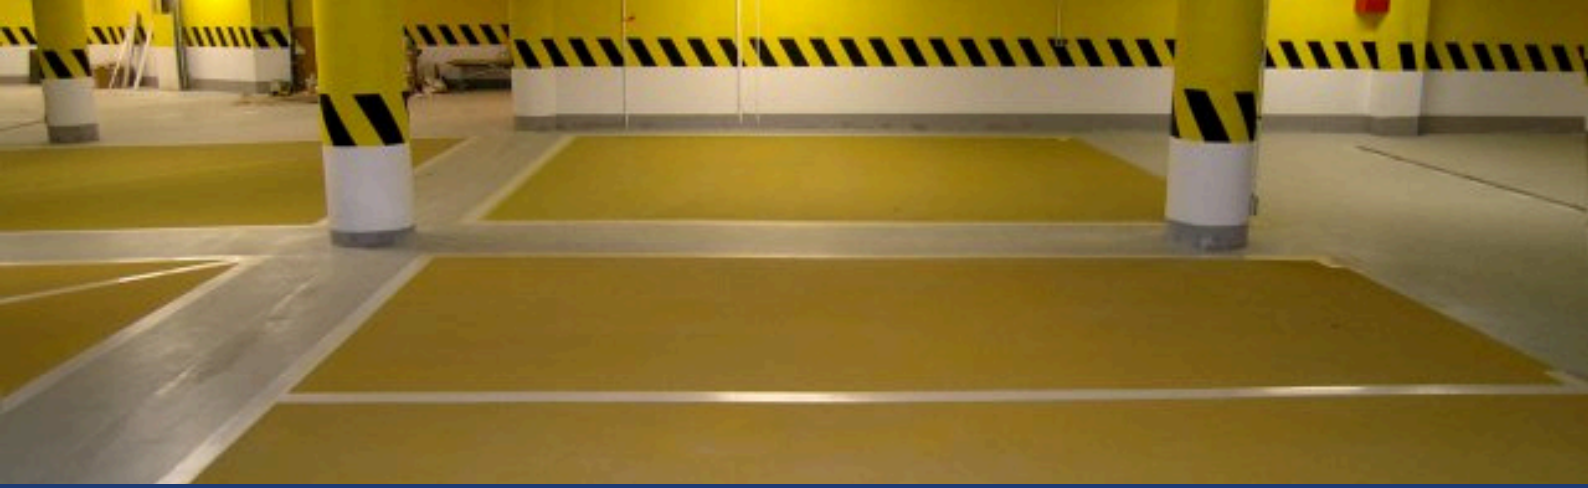

About Us.

Introduction

Epixon Africa Ltd is a leading provider of specialized construction solutions, established in 2026 and registered in Kigali, Rwanda. Since our inception, we have rapidly positioned ourselves as a trusted partner in delivering high-quality epoxy flooring, waterproofing systems, concrete finishes, paintworks, and construction chemicals consultancy and procurement services across Rwanda and the broader East African region.

Our commitment to excellence is reflected in our strategic partnerships with internationally recognized brands and our dedication to employing cutting-edge technologies and industry best practices. We have built a reputation for reliability, technical expertise, and customer-focused service delivery, making us the preferred choice for both private and corporate clients seeking durable and aesthetically superior construction solutions.

Mission & Vision.

MISSION

To deliver world-class epoxy flooring, waterproofing, concrete finishing, and construction chemical solutions that exceed client expectations through technical expertise, premium materials, and unwavering commitment to quality, while fostering long-term partnerships built on trust, integrity, and exceptional service delivery.

VISION

To be the leading provider of innovative and sustainable construction chemical solutions across East Africa, setting industry standards for quality, durability, and environmental responsibility while transforming spaces through superior craftsmanship and technical excellence.

Our Clients

We are privileged to serve a diverse portfolio of private and corporate clients across Rwanda and the East African region. Our client-centric approach ensures that each project receives personalized attention, technical expertise, and solutions tailored to specific requirements. From multinational corporations to local enterprises, residential homeowners to government institutions, we deliver consistent quality and reliability that builds lasting partnerships.

Strategic Partners & Suppliers

Epixon Africa Ltd collaborates with world-renowned manufacturers and suppliers of construction chemicals, ensuring access to premium-quality materials and cutting-edge technologies:

These partnerships enable us to deliver internationally certified products and solutions that meet the highest standards of quality, performance, and sustainability.

Our Services

EPOXY FLOORING

High-performance epoxy floor systems for industrial, commercial, and residential applications, offering durability, chemical resistance, and aesthetic appeal.

WATERPROOFING SOLUTIONS

Comprehensive waterproofing systems for roofs, basements, foundations, and structures, ensuring long-term protection against water ingress and moisture damage.

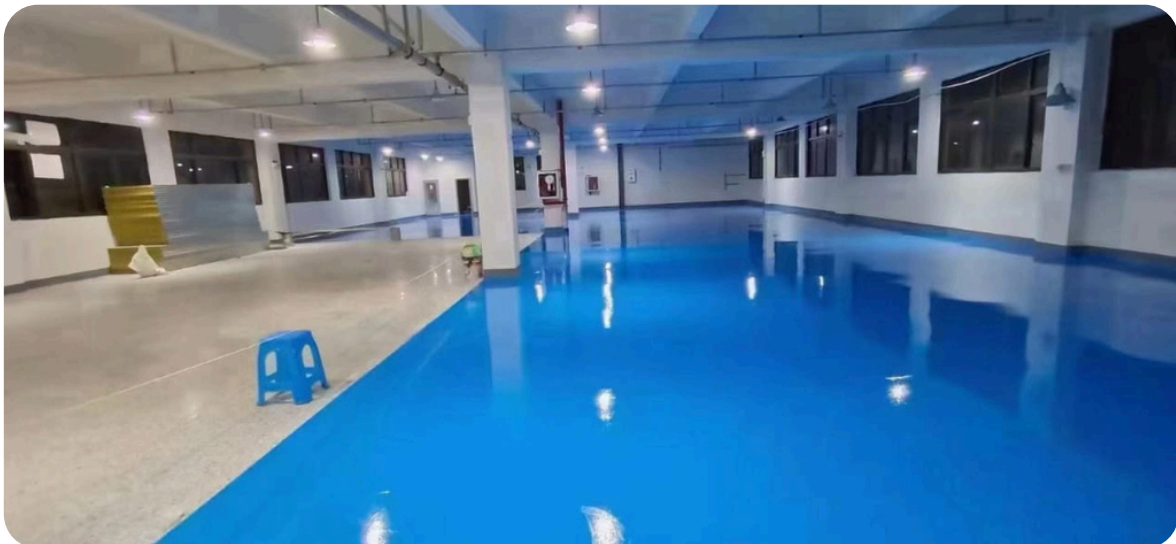

Our Services

CONCRETE FINISHES

Specialized concrete finishing services including polished concrete, decorative overlays, and protective coatings for enhanced durability and visual impact.

PROFESSIONAL PAINTWORKS

Interior and exterior painting services using premium-grade paints and coatings, delivering superior finish quality and long-lasting protection.

Our Services

CONSTRUCTION CHEMICALS CONSULTANCY

Expert technical advice and solutions for construction chemical applications, material selection, and project-specific requirements. Our consultancy services include:

- Material Specification and Optimization
- Performance Analysis and Problem Solving
- Regulatory Compliance and Standards Adherence
- Sustainable and Green Building Solutions

PROCUREMENT SERVICES

Strategic procurement of construction chemicals, materials, and specialized products from trusted international suppliers, ensuring quality and cost-effectiveness. We offer:

- Strategic Sourcing and Vendor Management
- Quality Assurance and Material Verification
- Cost Optimization and Budgetary Control
- Supply Chain Management and Logistics
